

Communications Committee Meeting
Orchard Valley United Church
April 15, 2018

The Communications Committee met on April 15, 2018, at 12:30 pm, at Orchard Valley United Church with Carol Dewar, Donna Murphy and Sylvia Jacquard in attendance.

The minutes of January 15, 2018 were agreed by consensus. In March-April the committee produced the Easter newsletter.

We welcomed Donna Murphy as a new member for our committee.

Old Business- Church Library- Our church library is not catalogued and we discussed ways of going forward on that. Donna will discuss the state of our library with Ivan/Judy for their suggestions. The first step may be to find out exactly what we have in our library.

New Business- PAR – Carol reported that we do not have clear information on the website about PAR, and easy directions on how to start giving to PAR or to make adjustments. The PAR form we have at the entrance to the sanctuary directs one to send the form into the head office in Toronto, whereas Theresa in the office is able to do this. The Stewardship committee has been asked to write up information which we will then post on the website.

Next meeting is to be determined later.

Meeting adjourned at 1:00 pm,

Carol Dewar,
Secretary
