Jesus Dying on the Cross
and
God Raising Him from the Dead

Several of the activities below involve an online photo gallery that the Wolfville Area Inter-Church Council will compile. None of the photos need to have your children in them and no children's names will be used. For the photo consent form and to post your photos, go to <https://www.waicc.org/upload-photos> Look next week for a link to the photo gallery.

Good Friday Colouring/Prayer Labyrinth -- Print the following cross-shaped finger labyrinth and instructions; then your kids can colour, pray and take a photo of their crosses!

Signs of Life -- Over the weekend, look for signs of life in your yard, on your daily walk or somewhere else as permitted by Public Health. Then take a photo of them!

Easter Zoom Fun/Virtual Egg Hunt -- virtual egg hunt, yoga with Joy Waterbury, scavenger hunt, modified Pictionary and more! Contact Andy for details (andriel_p@yahoo.ca; 902-543-1545). Virtual egg hunt will be available Sunday.

Easter Sunday Bell Ringing -- ring a bell at 10 am (with the Catholics) or 11 am (with everybody else). Take a photo of your bells!

Good Friday 2020 – Finger Labyrinth Colouring

The cross is a symbol of suffering because Jesus died on a cross. As you follow the path of the finger labyrinth and colour it in, say a prayer for someone when you come to a number. Suggestions are below.

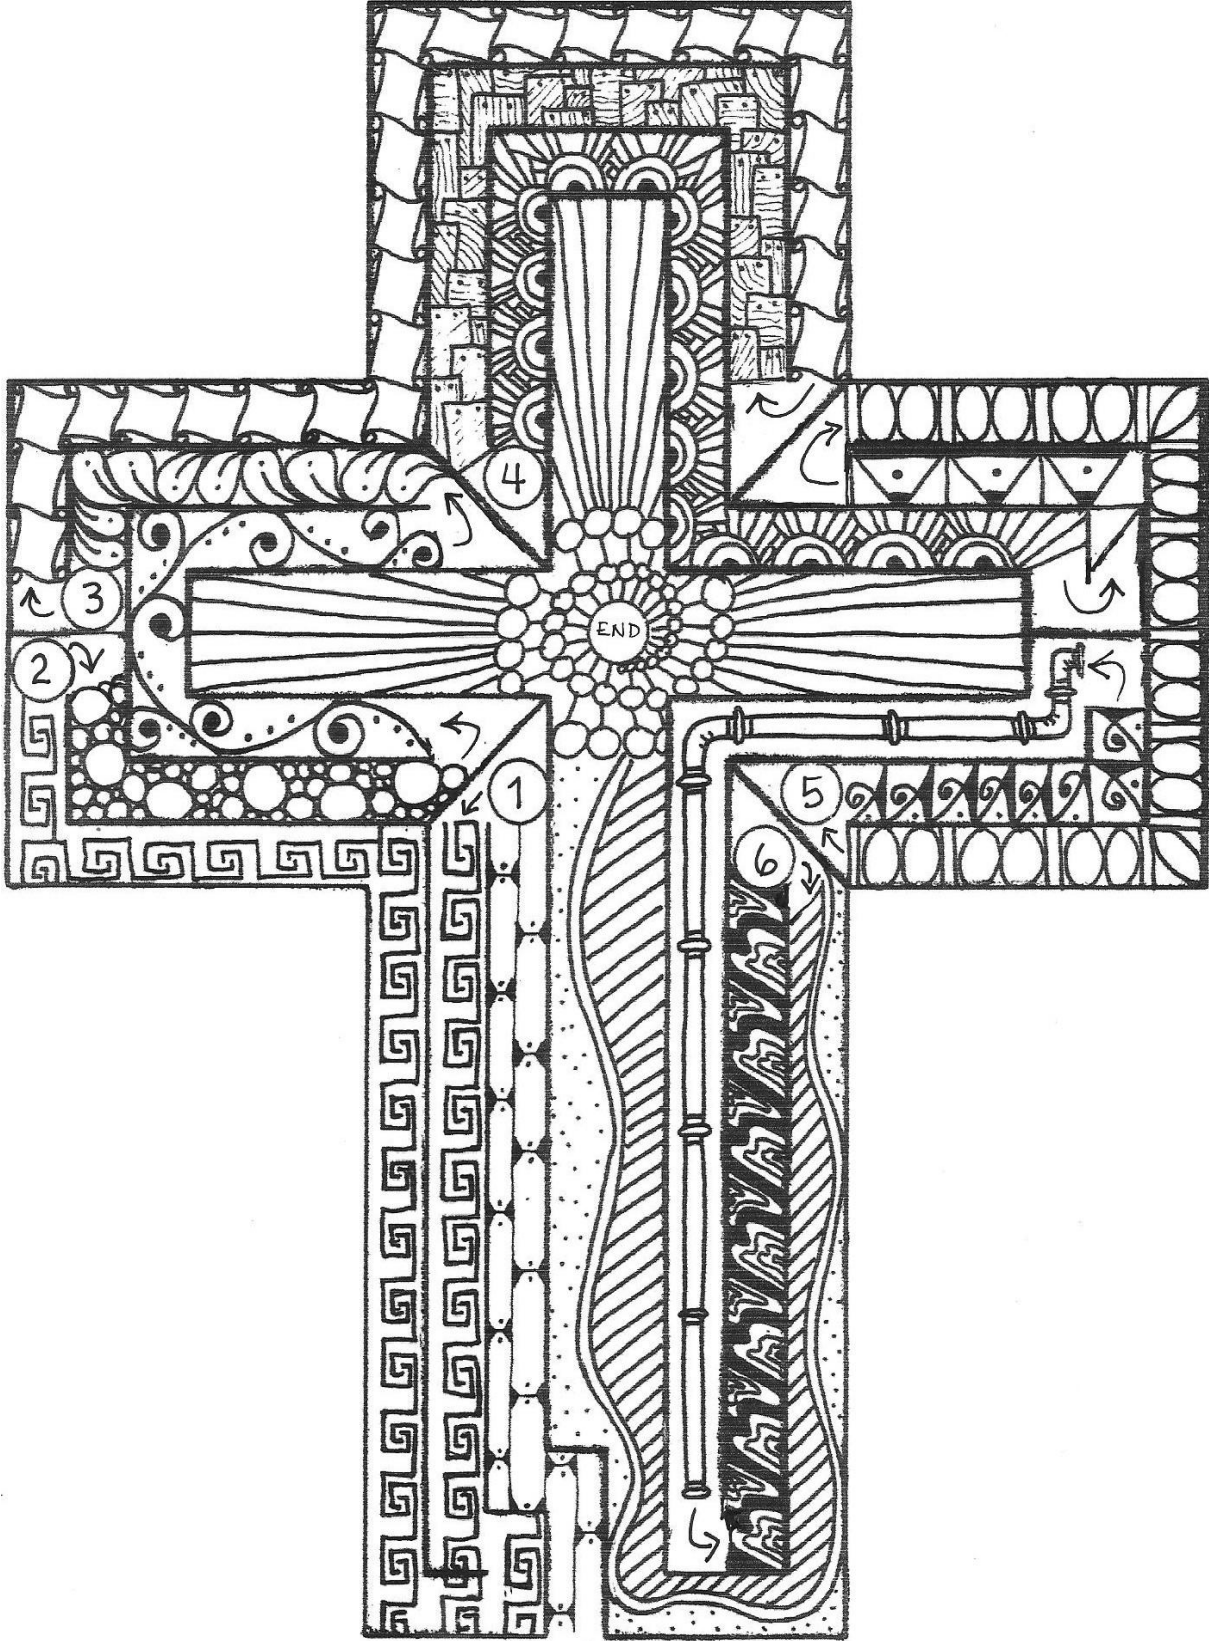

When you are finished colouring, you can ask an adult to take a photo of your labyrinth and upload it on the Wolfville Area Inter-Church Council website. (If you'd like, put your initials on your colouring but not your name.) Next week you can see all the photos people have uploaded.

Pray for . . .

1. People who are sick
2. Nurses and doctors
3. People who are lonely
4. Families
5. People in our community who need help
6. People in other places in the world who need help

END: Thank God for the good things in your life! Can you think of six things?
