1. Have you ever seen God?
2. The little boy in the story felt loved when his grandmother took care of him and gave him a hug. When do you feel loved? Did you know that God loves you too?
3. The little boy had a lot of fun when he was swinging! What things are you doing at home to have fun and feel joy right now?
4. Quiet and calm were words that helped us understand peace. Try closing your eyes and taking a couple of deep breaths. How do you feel now? When we need to feel peace, we can breathe and slow down to become more quiet and calm.
5. The teacher in the story was patient and the door man was kind. Who do you know that is patient and kind?
6. The grandma in the story was gentle when she helped the little boy get ready to sleep. When should you be gentle? Are you gentle with your brothers and sisters? Friends? Pets?
7. God is a all of the things that we learned about in this story. God is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. God wants us to be a little bit of all of these things too. How will you try to be like God today?
