Message from the COVID Committee on behalf of the OVUC

Executive: In light of the continued high numbers of Covid cases in our region, and in light of our need to care for each other's physical as well as spiritual well-being, we at OVUC have prayerfully decided to continue to offer our Sunday morning Worship Service as live-streaming only, so as to reduce any risk to our congregants and staff and are also delaying the restart of any activities that are unrelated to Sunday services until at least the end of January. We will be assessing this regularly. We know how important our church fellowship is, but also know that we would be heart-broken should a member of our church family become ill with Covid at our church home, when care and patience could have avoided it. Anyone with organized events, activities, or meetings should move forward via an on-line platform at this time.
