The OVUC COVID Committee, in consultation with the Council Executive: would like to provide an update as we cautiously move into reopening the church, in line with the province loosening their restrictions. These recommendations are intended to balance our desire to worship in community and our need to protect everyone to the best of our ability. We will be opening up under the following timeline (unless perceived risk increases dramatically) :

- Increased hymn support and choir practice** has begun!
- Social activities** within the church can commence so long as participants remain fully masked *and have proof of vaccination status*.
- Meetings** should continue to be held online as much as possible, unless a lack of online access would hinder that. **Youth activities** will continue online.
- In person Worship Service** will resume **March 6th**, following provincial guidelines. Services will continue to live-stream, should you not yet feel comfortable to attend, or should space not allow, as seating will be limited (please book your seating as before).
