Getting to Know You *small dinner groups* - late in 2019, Congregational Life Committee offered to connect folks interested in getting to know each other more deeply into small dinner groups. All was set and then the Pandemic arrived before this initiative ever got up and running. Most folks that originally signed up have been contacted to confirm their interest (apologetically, some may have

been missed). A lot of time has passed and we have some new folks, some folks have moved away, etc. So, we begin again!!

How it can work - folks put their name forward to participate (singles or couples). Congregational Life will randomly put small groups together (no more than 6). Each group will then be on their own to organize how they wish to proceed within their dinner group. The idea is that each “household” will take a turn hosting a dinner. The host will determine the menu and prepare/provide the main food item. The other group members will contribute something else from the menu as their contribution. The plan is that the meal preparation is not onerous on any one person or household. Truth be told, once the groups are set, feel free to go rogue and agree to do your own thing! We only want to facilitate opportunities for people from the church family to get to know each other more meaningfully.

This first round should last approximately 6 months. That should be a dinner a month on average. When round one is complete, anyone wanting to continue participating can go for another round and be set within a different group of folks. Congregational Life Committee is happy to facilitate the group making!

Contact Cheryl Sellsted at Cheryl.sellsted@gmail.com or call 902-670-4541 to sign up if you are interested. For those I have already spoken to, you are already on the list and there is no need to contact again. We hope to have the groups in place to “set you loose” to begin your dining adventures in October.

Notice from Communications/Pastoral Care Committees on Photo Directory and Database Update: The Communications and Pastoral Care committees are working together to update our church database **and** to gather information for an upcoming Photo Directory!

Our church database captures information on membership, activity in the church and financial contributions for any purpose. It is important that we keep this information up to date so that we can answer questions that come to the church from the United Church of Canada for our statistical forms as well as questions from CRA for the determination of our charitable status.

It is also very important to keep contact information up to date in case of mailouts from the church or email lists for bulletins and other activities that the church may be involved in.

Someone will be making the initial contact with a phone call. If you are comfortable answering the questions over the phone, please do so. If you wish to receive the information form via email or regular mail, then we will require a current email or mailing address. Thank you for helping us with this very important task of maintaining proper records for our faith family. *If you have any questions feel free to contact Jane McDonald at 902-670-5514 or jemcdonald56@gmail.com or Sylvia Jacquard at 902-698-9218 or sylviajacquard@ns.sympatico.ca*

OVUC Men's Group - Guy's Cans Fundraiser - Thanks to the generosity of our Church supporters, this fundraiser raised \$2,036 in 2021 with the income being used by the Men's Group to fund special projects from time to time and making an annual donation to the church to assist with its operating expenses. We have, also, decided that future Guys Cans fundraisers will be carried out via e-mail and Church bulletin announcements.

The Men's Group is seeking your continued support and ask that you mail your donations, (preferably by cheque), to the Church office no ***later than Nov. 30th***. You can, also, place an envelope in the Church offering plate. Please make a note on your donation that it is for the **OVUC Men's Group Guys Can Project**. If any members presently

have a can, please return them to the Church by Nov. 30th. Ensure your name and envelope number is on the can label in order to receive a tax receipt. Thanking you in advance for your continued support. To mail your donation:
