**Special Message –**

Dear Orchard Valley Community,

The Orchard Valley United Church Community has done it again! The response to helping the Ukrainian Refugee Family was so overwhelming, that we could have helped two more families! We have now furnished the apartment and set up the kitchen and bedrooms so that they can feel at home. We will let them settle in later this week and if a specific need arises, I still have the lists of things that you offered, and will contact you if necessary.

I want to sincerely thank all of you who wrote out lists, donated items and offered financial support. My apologies for not writing back to each of you individually, but I know the family will be very grateful.

Thank you all so very much!

Best,  
Peter
