Special note of thanks – “The Residents, Management, Staff of the Wolfville Nursing Home and Wolfville Elms would like to thank all of you who have assisted with church services and visits over the past (at least) 50 years, and especially over the last few difficult years.

You have lovingly served the residents and overcome these very challenging times, finding solutions to meet the spiritual needs of our residents. Many innovative ideas and faithful work continued to bring

the services to the residents when in person services were not possible.

Because of your dedication, we have always been very fortunate to have Church Services here. These services allow our residents to continue a lifetime of weekly observance that has, in many cases, been taken away due to illness or loss of independence. Your faithfulness has returned this missing link and you have strengthened the Spiritual lives of our residents through these services. Thank you.

The Church here has not only re-united many residents to their church but has also brought them into communion with each other. Thanks to all of You! We hope you have a wonderful summer and look forward to seeing you in September.”
