MS Bike - Annapolis Valley! (MS Canada)

This year, cyclists will partake in a two-day ride in the Annapolis Valley, cycling up to 100 kms. The route begins at Acadia University in Wolfville and is filled with bountiful patchwork quilts of fields, astounding orchards and stunning vineyards. Cyclists explore landscapes of agriculture and the famous Bay of Fundy in what is known locally as, "Vineyards and Valleys". This is a fully supported cycling event with food and refreshments at each rest stop along the route as well as a celebratory finish line, dinner and drinks.

Fundraising dollars from this event go towards ground breaking research and much needed supports and services for individuals living with MS.

Every year, our cyclists are supported by volunteers from the region. These supporters have always been **phenomenal** volunteers and often ask to come back the next year and help again! We would love to partner with the Orchard Valley United Church and have them come out and support the 2023 MS Bike 😊

We have several areas that need volunteer support during the weekend starting on Friday, from Set Up, Breakfast Volunteers, Check in, Rest Stop Volunteers, etc. You can see the available opportunities, as well as sign up for these roles, on our Volunteer Page below:
